Glad to hear from you,

Can you kindly do me a favour?

I've been trying to get an Amazon gift card by email, For a friend's daughter who is down with cancer of the Liver, it's her birthday today and I promised to get it for her today, but I can't do this now because all my effort purchasing it online proved abortive. Can you get it from Amazon ? I'll reimburse you back as soon as possible.

Kindly let me know if you can handle it.

Thank you,

Geraldine x
