阴阳  
yīnyáng

What is it?

- Yin (**dark**) and yang (**light**) is a concept of **dualism** in ancient Chinese philosophy, describing how seemingly opposite or contrary forces may actually be **complementary, interconnected, and interdependent** in the natural world.
- Together they form an **equilibrium**. Within the darkness there is light, within the light there is darkness that **balances** each other.

Yin (dark)	Yang (light)
Death	Life
Earth	Heaven
Moon	Sun
Black	White
Sickness	Health
Cold	Hot
Negative	Positive
Female	Male
Night	Day
